**SUNSHINE FAIR GATE POLICY**

**Parking:**

Exhibitors with livestock housed in the youth and open cattle/sheep/goat barns will receive two (2) windshield tags per family to be used to denote that they are livestock exhibitors for access during peak times. These tags will **NOT** be accepted as a fair ticket. The tags MUST BE displayed in all vehicles parked in the area behind these barns or the vehicles will be towed. *Feed deliveries should be scheduled prior to 10 a.m. to allow for access and unloading.

Re-entry policy for guests and exhibitors is as follows: Re-entry will be allowed with a ticket or pass AND a re-entry wristband. In the event of no ticket or no pass with re-entry wristband, you will be required to pay for admission. **NO EXCEPTIONS.**

All livestock exhibits will be released 7 p.m. on Sunday, the fair's last day, and must be off the grounds by noon on Monday following the fair end, unless specified differently. Due to the release time and other activities on the grounds, extra measures have been taken to insure that safety and traffic patterns are not impacted in any negative way. Exhibits leaving before the permitted time will forfeit their premium money.

**DAIRY CATTLE RELEASE PROCEDURE**

There will be NO LOADING OR PARKING OF TRAILERS OR ANY VEHICLES IN THE ROADWAY. All trailers will be loaded in the rear of the open class and show barns and at the side entrance between the youth and the show barn.

Youth barn trailers will drive in for loading by using the driveway between the open and show barn, pulling around the show barn to the youth/show barn driveway. A limited number of youth barn exhibitor trailers will enter the grounds and when loaded and off the grounds will open up the load line for the next trailers.

Open class barn exhibitors will enter between the open and show barns and load in the rear of the open class barn. The driveway between the open/show barn will provide access for all trailers. There will be no loading or parking in this driveway.

Trailers will enter the grounds in rotations. ALL TRAILERS WILL NOT LOAD AT THE SAME TIME. Please check with the dairy superintendent for your time slot and proper exit to be used.
