Greetings,

The Cobleskill Agricultural Society will be accepting storage this year per the attached storage agreement form. We appreciate your patronage and hope you will use our facilities to store your item. **Storage is based on a first come, first served basis, so please return your "Storage Agreement Form" as soon as possible so we can reserve a space for you. Don't wait until the drop off dates to request a spot.** Drop off dates will be October 22 – 28, 2022.

We are again offering an option to store an item on our grounds, uncovered, so it's not in the way at your place. Contact us for further information about this service.

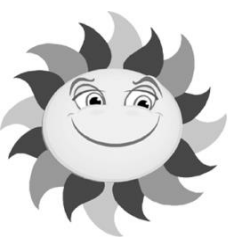

The price for storage is \$12 per foot for inside storage and \$11 per foot for covered outside storage, plus sales tax of eight percent. **Measurements are made from the front tip to the rear tip, including trailers and hitches.** Please measure your camper. This season's fee is payable in advance of your item being stored.

Removal will begin the first or second week of April, depending on the weather, and must be completed before the last weekend in April due to other events being held on the grounds toward the end of the month. We will be taking the storage out one structure at a time. You will be notified when the structures will be emptied, and we ask that you pick up your item at that time. If however, you can't pick up your item, please contact us. We will work with you. There will be space (uncovered) on the paved area of the grounds to accommodate those who are unable to move their item off the grounds until later in April.

If you have any questions, please call us at 518-234-2123.

We thank you for your patronage and look forward to serving you.
